## Moderator Guide

- **Guard's Conduct:**  
All those that wish to be moderators for New Mexico Gamer's Society discord channels must read, agree, & abide by the NMGS Code of Conduct. Violating the Code of Conduct will be grounds for being removed and banned from the NMGS discord server.
- **Who goes there?**  
All moderators must provide the Administrators with a copy of their current state issued picture id. In the event that NMGS hosts in person events with minors all moderators involved must provide a full background check at their own expense.
- **Volunteering:**  
All moderators understand and agree that this is a volunteer only position and expect no income based off of their involvement.
